STAT

Ed Palmer, HFAC staff, has requested a follow-up item to the DDCI's briefing of the Committee on 22 April. He would like data on the feasibility and cost to establish crop analysis programs in a number of major narcotics growing areas. He mentioned Jamaica, Pakistan, Mexico, Peru, Colombia, Burma, and the Golden Triangle. It is my understanding that Gene Williams may have already prepared information on this subject in preparation for the briefing.
